A. PROGRAM DESCRIPTION

A.1. Purpose of AmeriCorps State and National Funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism.

AmeriCorps grants are awarded to eligible organizations that engage AmeriCorps Volunteers in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps Volunteer is a person who does community service through AmeriCorps. AmeriCorps Volunteers may receive a living allowance and other benefits. After successful completion of their service, AmeriCorps Volunteers earn a Segal AmeriCorps Education Award they can use to pay for higher education expenses or apply to qualified student loans.

A.2. Funding Priorities

AmeriCorps' priorities for this funding opportunity are:

Faith-Based:

- **Organizations that are faith-based.**

Serve Communities:

- **Serve communities with concentrated poverty**, rural communities, and tribal communities.
- Implement programs for **or expand access to high-quality youth mental health and substance use recovery services** and prepare AmeriCorps Volunteers to enter behavioral health careers. These may include individuals who have experienced substance use and mental health challenges.
- **Focus on improving quality of life for veterans, active-duty members of the Armed Forces, and their families** through models that provide effective interventions or services or are designed to recruit veterans, military spouses, and their older children into national service, e.g., veterans serving in mentorship roles.
- **Focus on public safety, crime prevention, and/or partnerships between law enforcement and the community.**
- **Focus on expanding outdoor recreation opportunities for future generations** by maintaining public lands; supporting wildland fire mitigation and sustainable forest management; and providing reforestation services.
- **Create workforce pathways for AmeriCorps Volunteers**, including deliberate training, such as pre-apprenticeship and apprenticeship opportunities, certifications, and hiring preferences or support.
- **Focus on strengthening families**, e.g., activities that aim to support low-income parents through parenting education, responsible parenting and healthy relationship skills.

Benefit AmeriCorps Volunteers:

- **Enhance AmeriCorps Volunteer experience** by providing opportunities for skill attainment, personal growth and connection to the community they are serving in support of a lifetime of civic participation.
- **Enhance and expand services to formerly incarcerated and at-risk youth** and/or engage those youth as AmeriCorps Volunteers.

Use Evidence:

- Utilize reports from the AmeriCorps Evidence Exchange on programs assessed as having moderate or strong evidence to scale, replicate, or adapt the intervention, **or** demonstrate any evidence supporting the performance data described.

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

A.3. Performance Goals or Expected Outcomes

National Performance Measures

All applications must include at least one aligned performance measure, output and outcome, that corresponds to the proposed primary intervention. This may be a national performance measure or an applicant-determined measure. For more information, refer to the National Performance Measure Instructions.

A.4. Program Authority

Awards under this Notice are authorized by the National and Community Service Act of 1990, as amended, (42 U.S.C. §12501 et seq.).

B. FEDERAL AWARD INFORMATION

B.1. Estimated Available Funds

AmeriCorps expects a highly competitive AmeriCorps grant competition. Given limited funding, AmeriCorps may prioritize funding existing partners instead of making new awards. The actual level of funding depends on annual appropriations.

B.2. Estimated Award Amount

Award amounts will be different as determined by the scope of the projects.

B.3. Period of Performance

AmeriCorps plans to make three-year grant awards. AmeriCorps generally makes an initial award for the first year of the three-year period of performance. Applicants must submit a one-year budget. Applicants may propose a project start date that fits their program design. The period of performance may not start before July 1, 2027. Continuation awards for subsequent years not guaranteed; dependent on availability of appropriations and performance.

B.4. Type of Award

AmeriCorps makes available different types of grants. The chart below summarizes these grant types and their distinct characteristics.

Applicants are required to match funds provided by AmeriCorps. The applicant's match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must show that they can meet the match requirement when they submit the application. Applicants must say in their application if they have already secured the match funding.

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every three years to 30 percent by year ten.

AmeriCorps Funding Year	Years 1, 2, & 3	Years 4, 5, & 6	Years 7, 8, & 9	Years 10 +

Match Waiver
Please use the Match Waiver information for AmeriCorps State and National grantees located on the AmeriCorps.gov Manage Your Grant webpage. AmeriCorps encourages Tribal Nations to request match waivers to reduce barriers. Every effort will be made to reduce the match requirements to improve accessibility to funding.

Fixed Amount Grants

There is no cost share or matching requirement for fixed amount grants. AmeriCorps does not provide all the funds necessary to operate the program. Organizations should raise the funds needed to operate the program.

C. ELIGIBILITY INFORMATION

C.1. Eligible Applicants

The following non-Federal entities (all of which are defined in 2 CFR 200.1 or 42 U.S.C. 12511(21)) are eligible to apply:

- Indian Tribes;
- institutions of higher education;
- local governments, including school districts;
- nonprofit organizations;
- State Service Commissions (submit sub-applicants but not operate programs); and
- states and US Territories.

In addition to Indian Tribes as defined in 2 CFR 200.1, Tribal organizations that are controlled, authorized, or chartered by Federally recognized Indian Tribes are also eligible to apply. If an entity applies for an award as a tribal organization that is controlled or chartered by one or more Indian Tribes, and the organization does not meet any of the other applicant eligibility types, the organization must provide copies or links to documentation which demonstrates

that the organization is controlled or chartered by a federally recognized Indian Tribe. If an entity applies as an organization authorized by a federally recognized Tribe, or multiple specific federally recognized tribes, it must submit a resolution or other authorization, adopted by the Tribal Council (or comparable tribal governing body) of each Indian Tribe. The authorization(s) must identify the entity applying for an AmeriCorps award by name as a tribal organization that is authorized by the Indian Tribe(s) for the purpose of applying for AmeriCorps funding (or federal grant funds generally).

Applicants must have a valid SAM registration and Unique Entity Identifier to receive an award. See Section D.3. Unique Entity Identifier and System for Award Management (SAM) for more information.

New Applicants: AmeriCorps strongly encourages organizations that have not received prior funding from AmeriCorps to apply, e.g., small community-based organizations, faith-based organizations, etc.

New applicants are eligible to apply for cost reimbursement, Education Award Program (EAP), and Professional Corps grants, but are not eligible to apply for full cost fixed amount grants.

Types of Applicants

1. State and Territory Service Commissions, for Single-State Applicants
Organizations that plan to operate in only one state must apply through the state or territory commissions. Each commission has its own state-based selection process and submits applications to compete for funding directly to AmeriCorps. The list of commissions can be found on the AmeriCorps State Service Commissions' webpage.

2. National Direct Applicants
Multi-State: Organizations that plan to operate AmeriCorps programs in more than one state or territory apply directly to AmeriCorps.

States and Territories without State Service Commissions: Applicants in South Dakota, American Samoa, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands apply directly to AmeriCorps because they do not have an established commission.

Federally recognized Indian Tribes: Applicants that are Indian Tribes apply directly to AmeriCorps.

In addition to Indian Tribes, as defined in 2 CFR 200.1, tribal organizations that are controlled, authorized, or chartered by Federally recognized Indian Tribes are also eligible to apply directly to AmeriCorps.

Federally recognized Indian Tribes will also be eligible to apply for operating or planning grants under a separate Notice of Funding Opportunity for Indian Tribes at the AmeriCorps.gov Funding Opportunities webpage with an application deadline in the spring.

Threshold Issues

Specific types of applicants must meet the following requirements:

- Professional Corps must show that the community where it will place AmeriCorps Volunteers has a shortage of professionals in the relevant area, e.g., teachers, medical professionals, etc.
- If service activities require special AmeriCorps Volunteer qualifications and/or training, such as tutoring programs, the applicant must describe how requirements will be met.
- All applicants must propose program designs that are either evidence-based or evidence-informed (See section E.1.b (2) Evidence Base). Applicants rated as insufficient evidence are removed from funding consideration. Insufficient evidence is determined by:
    - An applicant being assessed as in the pre-preliminary evidence tier AND
    - providing inadequate response to the Evidence Quality review standards below.
- All FY 2027 competitive applicants must submit an application that proposes enrolling a minimum of 20 AmeriCorps Volunteers. New/recompete and continuation competitive applications with fewer than 20 AmeriCorps Volunteers will be deemed noncompliant and will not be reviewed. The minimum of 20 AmeriCorps Volunteers does not apply to Indian Tribe applicants, Tribal organizations that are controlled, authorized, or chartered by Federally recognized Indian Tribes, applicants who apply as states or territories without commissions, or formula applicants.

C.2. Other Eligibility Requirements

Even if an organization is otherwise eligible under C.1, an organization is not eligible if:

- It has violated a federal criminal statute.
- It proposes activities that are not allowed under AmeriCorps' laws, rules, or terms and conditions.
- It has any unpaid federal taxes that are not being paid through an agreement with the relevant tax authority. However, this does not apply if a federal agency decided that a suspension or debarment for the corporation is not necessary.
- It is described in the Internal Revenue Code of 1986, 26 U.S.C. §501 (c)(4) and lobbies.

If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. See the SAM Quick Guide for Grantees for more information.

D.4.b. Additional Documents Deadline

Additional documents are due by the application submission deadline.

D.4.c. Late Applications

All applications received after the submission deadline are late. AmeriCorps will determine whether to accept a late application on a case-by-case basis. To request consideration of a late application, an organization must:

- Submit a written explanation or justification of the extenuating circumstance(s) that caused the delay, including:
    - Timing and specific cause(s) of the delay;

    - Information provided to the applicant by the AmeriCorps Hotline; and
    - Other documentation or evidence that supports the justification.
- Ensure that AmeriCorps receives the written explanation or justification and any other evidence that substantiates the claimed extenuating circumstance(s), via email to LateApplications@americorps.gov no later than 24 hours after the application deadline.

Communication with AmeriCorps staff, including an applicant's regional office staff or applicant's AmeriCorps regional mailbox, is not a substitute for a written explanation. Applicants are required to continue working in the web-based system and with the AmeriCorps Hotline to submit the application.

AmeriCorps will *not* consider an advance request to submit a late application. Please carefully review and follow the guidance in this section and submit your application as soon as possible.

D.5. Intergovernmental Review

Notice not subject to Exec. Order 12372, "Intergovernmental Review of Federal Programs."

D.6. Funding Restrictions

D.6.a. Award Funding Requirements

1. AmeriCorps Volunteer Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for AmeriCorps Volunteers serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time AmeriCorps Volunteer, it must follow the limits in the table below. Organizations applying for cost reimbursement grants must include the living allowance in the budget, either as AmeriCorps share or match.

Fixed amount grant applicants must give AmeriCorps Volunteers a living allowance that follows the minimum and maximum amounts in the chart below and should indicate that amount in the application.

Table: Minimum and Maximum Living Allowance for FY 2027 Competitive and Formula Applicants

Slot Types	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1,700	$20,954	$41,908
Three Quarter-time	1,200	n/a	$29,336
Half-time	900	n/a	$20,954
Quarter-time	450	n/a	$10,896
Minimum-time	300	n/a	$8,801

Exceptions to the Living Allowance Requirements

a. Programs existing prior to September 21, 1993, do not have to offer a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its AmeriCorps Volunteers the minimum but cannot exceed the maximum.

b. Education Award Program (EAP) Grantees are not required to provide a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its AmeriCorps Volunteers the minimum but cannot exceed the maximum.

c. Professional Corps Grantees must provide AmeriCorps Volunteers a living allowance or salary. Organizations must pay AmeriCorps Volunteers the minimum and can exceed the maximum. Professional Corps AmeriCorps Volunteer salaries and benefits including childcare cannot be included in the federal share budget request to AmeriCorps.

2. Maximum Cost per Member Service Year

The AmeriCorps cost per MSY is determined by dividing the AmeriCorps share of budgeted grant costs by the number of MSYs requested. It does not include childcare or the value of the education award an AmeriCorps Volunteer may earn.

Table: Maximum Cost per MSY

Grant Program	Maximum
Individual Competitive State/Territory Program (cost reimbursement)	$26,800
Multi-state competitive (cost reimbursement)	$26,800
Professional Corps competitive Fixed Amount Applicants/Grantees	$1,000*
Full-cost competitive Fixed Amount Grant	$26,800
Education Award Program (EAP) Fixed Amount Grant (competitive & formula)	$800 or $1,000**
All non-EAP formula subgrants	$27,000***

*AmeriCorps requires **Professional Corps** programs to cover the operating expenses associated with the AmeriCorps program through non-AmeriCorps resources. AmeriCorps will only consider operating funds of up to $1,000 per MSY if an applicant is able to show significant organizational financial need.

** For the Education Award Program, AmeriCorps may provide a maximum of $800 per individual enrolled in an approved national service position. If at least 50 percent of a program's enrollees are disadvantaged youth, AmeriCorps may provide $1,000 per enrollee, 42 U.S.C. § 12581a.

***$18,000 adjusted for inflation as measured by the Consumer Price Index for all Urban Consumers (As of May 2026 CPI was 0.5).

AmeriCorps may: 1) treat an applicant as a Professional Corps if they meet the legal requirements for a Professional Corps (even if they did not submit a Professional Corps application); and 2) decide not to provide a grant to an organization that it determines cannot operate effectively without AmeriCorps operating funds.

3. Costs Associated with Evidence Building Activities e.g. performance data collection and management, foundational research, program evaluation, etc.
As noted in 2 CFR § 200.455, costs associated with evidence building activities are allowable expenses or match under AmeriCorps grants. This includes costs related to performance data collection and management, foundational research, program evaluation, and related activities.

AmeriCorps reserves the right to award applications in an amount less than the requested level of funding.

D.6.b. Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants may use a Federally approved indirect cost rate if they have one and if not, may use either –

i. 15% *de minimis* rate of modified total direct costs outlined in Indirect Cost Guidance;
ii. may claim certain costs directly.

All methods must be applied consistently across all Federal awards. No more than five percent of award funds may be used to recover indirect costs on AmeriCorps State and National grants under section 121(d) of the National and Community Service Act of 1990, as amended and AmeriCorps' regulations at 45 CFR 2521.95 and 2540.110.

Use the eGrants Indirect Cost Rate (IDCR) User Instructions to enter the organization's Federal negotiated indirect cost rate or the *de minimis* rate information. Applicants should not submit documentation addressing the cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to IndirectCostRate@americorps.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

D.6.c. Pre-Award Costs

Applicants funded under this Notice are approved for pre-award costs for 90 days prior to the start of their program where such costs are incurred in anticipation of the award and are necessary for efficient and timely performance of the scope of work. See the Mandatory Supplemental Information for more detail.

D.7. Other Submission Requirements

Applicants must enter into eGrants the quantity of each document type that was emailed to AdditionalDocuments@AmeriCorps.gov. After the application deadline, all applicants that have a difference between the number of documents emailed and the number of documents reported in eGrants will receive an email. This email will request proof that the missing documents were emailed on time to the correct email address. If applicants do not reply to this email, then their evidence documents might not be reviewed.

Do not submit any items that are not requested in this Notice or Application Instructions. AmeriCorps will not review or return them.

D.7.c. Coordination Among State Service Commissions and National Direct Applicants

AmeriCorps expects new/recompete commission and national direct applicants to consult and coordinate activities at the local level, as specified in 42 U.S.C. § 12583. This consultation is to ensure coordination and the effective use of national service resources. The list of commissions can be found on the State Service Commissions webpage.

To ensure coordination before application submission:

National direct applicants, except federally recognized Indian Tribes, must:
Consult with the commission of each state and/or territory in which the organization plans to operate and describe this consultation in their applications. Contact the commissions for details about the consultation process. Provide information that connects the proposed activities to the current State/Territory Service plan and/or State Logic Model.

State/Territory Service Commissions must:

- Consult in a timely manner with the new/recompete national direct applicants, except Indian Tribes, that contact them prior to application submission.

AmeriCorps will ask for commission input on national direct applicants, except Indian Tribes, proposing to operate in their state/territory via the AmeriCorps' web-based management system. Commissions can select *support*, *do not support*, or *neutral*, and provide comments. Commissions are strongly encouraged to provide this input. AmeriCorps reviews and considers commission input on multi-state applicants proposing to operate in their state.

E. APPLICATION REVIEW INFORMATION

E.1. Selection Criteria

Each applicant must describe a project that will use AmeriCorps Volunteers effectively to solve a significant community problem.

Do not assume all sub-criteria are of equal value.

"The [Name of the organization] will have [Number of] AmeriCorps Volunteers in [the locations the AmeriCorps Volunteers will serve, e.g. – City, State or State(s)]. AmeriCorps Volunteers will [service activities the AmeriCorps Volunteers will do]. In addition to the AmeriCorps investment, $[amount of local, state, and Federal Funds] in public funding and $[amount of non-governmental funds] in private funding will support the project."

E.1.b. Program Design, 50 percent:

1. Community and Logic Model, 20 points

- The applicant will provide a detailed summary of the community problem, and an explanation of how the applicant's intervention(s) will lead to the outcomes identified in the Logic Model.

  The applicant must describe in the Logic Model
  - The inputs or resources that are necessary to deliver the intervention, including but not limited to:
    - Locations or sites in which AmeriCorps Volunteers will provide services.
    - Setting and community condition where the intervention is delivered.
    - Number of AmeriCorps Volunteers who will deliver the intervention.
    - Characteristics of AmeriCorps Volunteers, including specific knowledge, skills, and abilities required to implement the intervention.
  - The core activities that AmeriCorps Volunteers will deliver as part of the intervention including:
    - Length of each activity (e.g., the total number of weeks, sessions, or months of the intervention).
    - Dosage of each activity (e.g., the number of hours per session or sessions per week).
    - Target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level).
  - The measurable outputs that result from delivering the intervention (i.e., number of beneficiaries served, types and number of activities conducted).

If applicable, identify which National Performance Measures will be used as output indicators.

- Outcomes that result from the intervention, including meaningful changes in knowledge/skill, attitude, behavior, or condition. If applicable, identify which National Performance Measures will be used as outcome indicators.

Programs should include short, medium, or long-term outcomes. Applicants are not required to measure all components of their Logic Model. The applicant's performance measures should be consistent with the program's Logic Model and should represent significant program activities.

Applicants with multiple interventions should include the above information for each intervention in the logic model.

2. Evidence Base, 20 points

The assessment of an applicant's evidence base has two parts. First, the applicant will be assigned to an evidence tier. Second, the quality of the applicant's evidence, how the evidence aligns with funding priorities (A.2 Funding Priorities section), and how the evidence supports the proposed program.

Evidence Tier, 12 points

Each applicant will receive an evidence tier assessment. This is based on the relative strength of the applicant's evidence base and the likelihood that the proposed intervention will lead to the outcomes identified in the Logic Model narrative.

AmeriCorps values and funds programs at all points along the evidence continuum and expects programs to progress along the evidence continuum over time. Thus, **applicants should not be deterred from applying for funding due to their current evidence level**. In 2026, the evidence tiers of competing applicants recommended for AmeriCorps State and National funding were as follows: 51% Strong, 10% Moderate, 16% Preliminary, 23% Pre-Preliminary.

To qualify for the preliminary, moderate, or strong evidence tier, applicants may submit up to two evidence documents, plus the evaluation report from their last three-year grant cycle, if applicable. If multiple evidence documents are submitted by the applicant, the most recent – as measured by the date of completion or publication– will be reviewed first, and any documents submitted beyond the allowable number will not be reviewed.

The intervention evaluated in the submitted evidence documents must match the intervention proposed by the applicant in the Community and Logic Model sections of the application. (Use the Mandatory Supplemental Information for a definition of same intervention). Applicants must meet all requirements of an evidence tier to be considered for that tier.

Submitted evidence documents that do not sufficiently match the intervention will not be reviewed or receive any points.

In the Evidence Tier section of the application narrative, applicants must:

- Summarize the study design and key findings of the evidence documents submitted, plus, if applicable, the evaluation report from their last three-year grant cycle; and
- Describe any other evidence that supports their program, including past performance measure data and/or other research studies that inform their program design.

Applicants should provide citations for the studies they describe.

Evidence Quality, 8 points
Reviewers will score the quality of an applicant's evidence and the extent to which it supports the proposed program design.

Standards for scoring in the preliminary, moderate, or strong evidence tiers:
Submitted evidence documents:

- Are of satisfactory methodological quality and rigor for the type of evaluation conducted e.g., adequate sample size and statistical power, internal and/or external validity, appropriate use of control or comparison groups, etc.;
- Describe evaluations that were conducted relatively recently, preferably within the last six years; and
- Show a meaningful and significant positive effect on program beneficiaries or AmeriCorps Volunteers in at least one key outcome of interest.

Standards for scoring in the pre-preliminary evidence tier:

- The applicant uses relevant evidence, including past performance measure data and/or cited research studies, to inform their proposed program design;
- The described evidence is relatively recent, preferably from the last six years; and
- The evidence described by the applicant indicates a meaningful positive effect on program beneficiaries or AmeriCorps Volunteers in at least one key outcome of interest.

3. Notice Priority, 4 points

- Describe whether one or more of the AmeriCorps funding priorities is a significant part of the program focus and intended outcomes. Refer to A.2. for list of Funding Priorities.

4. AmeriCorps Volunteer Experience, 6 points

- Describe how AmeriCorps Volunteers will be provided opportunities for skill attainment, personal growth and connection to the community they are serving in support of a lifetime of civic participation.

E.1.c. Organizational Capability, 25 percent:

1. Organizational Background and Staffing, 15 points

Describe the roles, responsibilities, and structure of the staff that will implement and provide oversight of the program, including but not limited to demonstrating the organization has sufficient policies, procedures, and controls to effectively implement a federal grant.

2. AmeriCorps Volunteer Supervision, 10 points

- Describe how AmeriCorps Volunteers will receive sufficient guidance and support from their supervisor to provide effective service. That could include but is not limited to structure for AmeriCorps Volunteer supervision: cadence and format of supervisor/ AmeriCorps Volunteer check-ins, AmeriCorps Volunteer and supervisor opportunities to assess strengths and opportunities for growth, AmeriCorps Volunteer training plan, etc. Applicants should identify best and/or evidence based practices for successful Volunteer supervision.

E.1.d. Cost-Effectiveness and Budget Adequacy, 25 percent:

1. AmeriCorps Volunteer Recruitment, 7 points

- Provide a description of budget expenses to support recruitment of AmeriCorps Volunteers best suited to serve the community. Applicants should identify best and/or evidence based practices for successful Volunteer recruitment.

2. AmeriCorps Volunteer Retention, 10 points

Provide a description of budget expenses to support retention of AmeriCorps Volunteers. E.g., additional AmeriCorps Volunteer benefits such as paying above the minimum living allowance, supporting workforce pathways, certifications, coaching for AmeriCorps Volunteers, resume building, individual benefit as well as community building, network building, AmeriCorps Volunteer recognition, alumni programming, etc. Applicants should identify best or evidence based practices for successful Volunteer retention.

3. Data Collection, 8 points

- Provide a description of budget expenses that support data collection and evaluation, including the process for collecting and maintaining high-quality performance data from your organization and community partners, how data will be analyzed, and how this will ensure timely and accurate reporting to AmeriCorps.

E.1.e. Evaluation Plan Summary, 0 percent:

- **Required for recompeting applicants:**

If the applicant has previously received three or more years of competitive funding for the same project being proposed, the applicant must submit an evaluation plan summary form (which includes Alternative Evaluation Approach request if applicable). Refer to Additional Documents for instructions for submitting the evaluation plan summary.

The evaluation plan summary will not be scored and will not be reviewed unless it includes an Alternative Evaluation Approach request.

All applicants enter N/A in the *Evaluation Summary or Plan* field of the Narrative. Any other text entered in this field will not be reviewed.

E. 1. f. Amendment Justification, 0 percent:

Enter N/A. This field will be used to enter changes in the application narratives in continuation requests.

E.2. Review and Selection Process

AmeriCorps will engage reviewers with relevant expertise to assess the eligible applications. The determinations made by AmeriCorps reviewers may be different from what the applicant self-determined upon submission of its application. The stages of the review and selection process follow:

E.2.a. Initial Application Compliance and Eligibility Review

AmeriCorps will do an initial compliance and eligibility check before reviewing applications. To pass this check, applicants must:

- Be eligible to submit directly to AmeriCorps,
- Have an active SAM registration,
- Not be listed on Do Not Pay or the exclusions list in SAM.gov, and

E.2.b. Application Review

Review

Reviewers will assess applications based on the Program Design, Organizational Capability, Cost-Effectiveness and Budget Adequacy, and Evidence Selection Criteria.

AmeriCorps will also review and assess the input from the state service commissions about multi-state national direct applications. Staff will also assess budget compliance, and review for prohibited activities.

Post-Review Quality Control

AmeriCorps staff will review the initial results for fairness and consistency. Some applications may be selected for a post-review quality control assessment.

E.2.c. Pre-Award Risk Assessment

AmeriCorps staff will assess the risks posed by each applicant. Results from this assessment will inform funding decisions. If AmeriCorps determines that an award will be made to an applicant with risks, special conditions may be applied to the award. AmeriCorps may decide to not fund an applicant based on the level of risk.

In assessing risks, AmeriCorps may consider:

1. Due diligence, including:
    - Federal debt delinquency;
    - Suspension and debarment;

- Information available through Office of Management and Budget (OMB)- designated sources of government-wide eligibility qualification or financial integrity information, such as:

    - Other elements, such as keyword searches for prohibited activities.

E.2.d. Consideration of Integrity and Performance System Information

Any applicant may comment upon information previously entered by another Federal agency in the designated integrity and performance systems accessible through SAM.gov.

AmeriCorps may consider applicant comments when completing its review of risk. AmeriCorps may also consider other information about any applicant receiving an award, including those under $350,000.

E.2.e. Selection for Funding

The review and selection process are designed to:

- Identify how well eligible applications are aligned with the application selection criteria.
- Build a diversified portfolio based on the following strategic considerations:

An applicant denied any portion of funding may request reconsideration of a funding decision within 5 business days of receiving notice of their denial. Reconsideration will only be granted if there is clear and substantial error. Any reconsideration of denied applications is entirely subject to the agency's discretion.

E.2.f. Applicant Resolution
